“ Rest in peace uncle Dominic!

*I think back about your visits to Gloucester and how special those days truly were.*

*I never saw Grandma and Grandpa so happy as to when you, uncle Mike, and my cousins, were under their roof. I have a memory of you all in the living room watching, MASH, All in the Family (how appropriate), and Barney Miller.*

*I think of the time we butchered those tunas in the basement, and the story of how we got them, and it makes me laugh and smile every time. I've never seen a person so happy about free fish! He must have fed half a Michigan with the amount of Tuna steaks he took home.*

*From all your family here in Gloucester, MA, we'll miss you, we love you, and we'll never forget you, that huge personality, or that toothpick behind your ear.*

*One last thing.....if you're going to vote from beyond the grave (like so many others in Michigan and elsewhere), can you vote Republican please, and maybe more than once?*

*God Bless!*

*Nephew Joe and Family!*
