“*Mariann - I am very sorry for your loss..... As anyone that knew him, knows, he was a great friend and inventor. He would do anything to help you, and could always come up with an electronic invention of the future, today. Cutting edge ! Many good times, never to be forgotten. He will be missed by all. “ Uncle Don and Aunt Mariann's wedding was a time when many of us were all able to get together. Remember the joke on Uncle Don, when all the ladies returned the keys to his place the day he wed! Good laughs for sure. Just this year I was with Uncle Don when he found a picture of you two (Aunt Mariann) and a friend or two from around that time frame -he proudly put it on the fridge. Cheers to life and all it's levels of moving forward while reflecting on our memories. Uncle Don is at rest, and I think he would wish love with his big heart and peace with his solid intelligence to all. I love you Uncle Don.##imported-begin##Danielle Millard##imported-end##

“ I will always cherish my wonderful memories of Uncle Don. He was my godfather. I remember his smile and laughter at our family BBQ's. Growing up he was always there to help me with my computer related questions. He always had exciting scuba diving stories & videos to share. I fondly remember fun outings on his boat, camping, and my sister & I perusing his extensive movie & music collection. We still have some of the tapes he let us "borrow" some 20 years later! Like all who knew him, I will miss Uncle Don dearly.##imported-begin##Kristen Adler##imported-end##

“ It has been many years since we have seen Don, but we will always remember him for his genuine love of life. I remember him and his buddies making crazy movies back in the day. I was about 12 years old but it was alot of fun to be around Don and his friends. Please accept our most heartfelt sympathies for your loss...our thoughts are with you and your family during this difficult time.##imported-begin##Chris Meller, Lisa Meller and The Meller family##imported-end##

“ I guess Ive known Don for some 47 years now. I watched him grow up and into manhood. In the early years when Barb and I would visit his mother and father, Mary and Dave, I couldn't wait to see what kind of new contraption or electrical device he was working on. He would greet you with that one in a million smile that let you know you were welcome in his world. He was a good kid who turned into a fine young man, a good husband-friend-and confidant to his wife Mariann. I look to the heavens to see the bright new star shining above and know it's Don looking down on us. To you Mariann I say you have my deepest sympathy and I am only a call away should you need me. “ I too will always remember Uncle Don's smile and scuba videos. My two favorite memories of Uncle was attending his wedding since it was my very first wedding I was invited to and I caught my first fish on his boat. Great memories that I will always cherish. He was loved by so many, RIP Uncle Don.###imported-begin###Jennifer Boivin###imported-end###

“ Years ago I used to scuba dive with Don. He was the best dive buddy, I always felt safe when I was in the water with him. He also took awesome underwater videos which I will now treasure forever. I am so sorry for your loss Mariann.###imported-begin###Debbie Danielson###imported-end###

“ Dear Mariann,

There really are no words to say at this time, however, Don was a great nephew and my Godchild. He always had the most beautiful smile on his face no matter how things were really going on in his life.

I think he was born with it and never let it go. We all know that he is in a better place and his suffering and worries are over.

Anybody that knew Don would only have to ask for a favor and he was right there for you and if he didn't know exactly what to do he would find out.

We will always cherish the many wonderful memories that he gave us. God will help you to get through these rough times and know that we will be there, all you have to do is call.

Love and prayers Aunt Barb###imported-begin###Barbara Ciesinski###imported-end###
