“ Don was our next door neighbor in Port Austin. He was always friendly and a nice person to chat with. He was a good neighbor to have and my husband, myself and my kids were very sad by the news. My mom is actually a member of king of kings, she lives down in your area. So sad & sorry for your loss.

“ My most sincere condolences to the Craven family.

My best memory of Mr. Craven was from last summer after my Dad passed away when he would stop by my Mom's house with some great tasting pickles and hot jalapenos from his garden! Those were the best ever!

My thoughts are with all of you for this loss in your lives.##imported-begin##Jackie Wanner##imported-end##

“ To Don's family, this neighborhood will miss him, I think we all looked forward to his weekly vegetable deliveries. I, personally, can't thank him enough for stopping over and just talking with us when Larry was so ill. We really appreciated his support at that time and after. My last memory of him was watching him ride, toward his house, on the bike that he was so thrilled to get.

You will all be in my thoughts and prayers.##imported-begin##Barbara Wanner##imported-end##
