“ *Donald was my dad's cousin from Detroit. they grew up together in Detroit. My dad was Michael Lutomski, Jr. He passed away in 1984. I went to WMU & Donald was so kind to let me store my loft lumber at his company in 1983, he let me drive his pickup truck to drop it off :) I remember he had blue eyes quite similar to my dad's. I've been busy raising my family & never took time to get in touch or look him up before now. I'm sure he was as nice & kind as I remember all those years ago.*
