“ Heaven has another angel. Many childhood memories of Donny; hanging out on Hartway's front porch or in Kasky's basement, listening to Holy Smoke practicing in Stark's basement. The number of times he offered me a ride home from drivers training. A sweet soul, you will be missed.

“ So many memories, sorry we could not be there to share these memories in person. Me and Don lost touch quite a while ago after we moved to Florida. the more I think about it , well we spent alot of time together. THE PING PONG champ on the poop-deck paul show for a week, that was huge, all christy watched every day. he won a pile of pennies and WIZ candy bars..they were terrible.....LOL..we played alot of PING PONG also, just about every day.....touch football in the street, later when we were older, and had drivers licenses, Myself , Donna, Pat and Donny were always together. Just recently, we lost My brother Doug and Jimmy Belcoure. Now thats 3 Christy critters. My heart goes out to Ken, Tim and David. I remember sneaking up the stairs with donny and laughing at the country songs Tim use to listen to, we had tears in our eyes we laughed so hard...LOL.i suppose when you get older you forget about the things and people that were important to you. You just get caught up in your every day lives. there are so many more memories I could go on all day. I hope these bring a smile to your face, they sure did me. ...love you Donny.....Steve Starks
