Don was a gift to all who knew him..as he shows here on Marlene's birthday. The photo of him with Olivia shows what a wondrous gift he and Olivia were to each other.

Now he watches over both of the women he loved from God' loving embrace.

God Bless Don, Marlene, Olivia and all of us who were blessed to know them.

“ Dear Rokicki family:

My deepest condolences to all of you. Don was such a delight to be around. He was my bowling buddy and just all around great guy. He always greeted me with the warmest of hugs and smiles that I so truly treasured and now greatly miss. He graced me and my team for a few seasons filling in as a sub. What good times we had. And the Sunday Fun league was great having him a part of. He will be missed by me and the many folks who knew him for he exemplified being a great person, father and husband. May the love, prayers, and peace of Christ be with all of you during this difficult time. Don, may you rest in eternal peace with Christ and His Holy family.

“ Dear Rokicki Family: Please accept my deepest condolences for your loss. Don and I worked together as Tool Liaison Engineers at Chrysler Outer Drive. Although Don and I lost touch of each other after his retirement, Don's influence was always felt, lingering in conversations of "the good old days", days of which Don was always an active participant of. Don's sensibility, knowledge, skills and humor have been missed at work since his retirement and now his physical presence will leave a major void, all will feel. I am positive that Don is resting (with a cigar stub in hand) at the side of Our Dear Lord, chatting about the "gang" at Chrysler. May Don rest in eternal peace and be comforted in the warm embrace of the Arms of Our Lord, Jesus Christ!

*Don Rokicki was a great husband, father, grandfather, and friend. I've know him as one of my parents' best friends for as long as I can remember. I looked at him like an uncle. He will be missed sorely by many people. His quiet confidence and steady demeanor shone through in all that he did - bowling, golfing, playing cards, or criticizing the Detroit sports teams. He was a man who did things the right way, in all ways, and earned his years of retirement. Don was a really good guy, and we, like so many others, will miss him. Marlene, Kevin, Jeff and David - our prayers are with you guys and your families.
