“ Dad you were my rock my best friend I'm going to miss my morning wake up text/calls ,walking out back to find you sitting on my patio just so many things i can never tell you enough how much i love you and will miss you. You proved the doctor's wrong all these years i just wish you did one more time although i know you are at peace and no more pain i still want you here .even in the the end you were the one being strong for all of us with that smile but that is who you were putting everyone else before you rest in peace dad i love you.
