“ Aunt Bernice, Carol, Helen and Henry you are all in my thoughts and prayers. Uncle Donald was my Godfather and my favorite uncle. I treasure all the memories I had with your Dad. He took us everywhere with that music blasting, even though that music was embarrassing to us, I can still see him smiling away and singing out loud. He will truly be missed, but he's up there with my parents and I know they are showing him all the greatness of being in Heaven. May he rest in peace and be ice skating and playing hockey again! Love you all.##imported-begin##Elise Cilluffo##imported-end##

“ i am thinking of you all in this time of sorrow. you need to hang on each other, be strong, and keep your faith. something that gets me threw the lose of my mother 10 years ago. whent he sun shines from the heavens, embrace it, feel the love pouring down fromyour father, when it rains, know those are tears from your dad knowing he misses you all too. and the rainbow, that shows he is no longer in pain and is very happy. take all these thoughts and smile, he is with you all in his own way. hang on to the memory and live life to the fullest. time heals all wounds.##imported-begin##Lisa Buchan##imported-end##

“ Dad - I heard about this page today and finally had a chance to look it up. I pulled up the page and saw your name on the list and your picture and still can't believe it is true. My heart aches for you, but we had such a special time this past week seeing family gathering together for you. I am so happy for your release from the pain of being bedridden and reliant upon other people to help you do everything in life. I watched you lie in bed for a year, and it was killing me. God knew, and answered my prayers for you to be free. I love you so much Dad, and that love will never stop. I am at peace knowing you are free again..I will see you soon Dad, you're the greatest!##imported-begin##Helen Engelhard##imported-end##

“ Dear Bernice and family, I was very sorry to hear Don passed away. I will keep you in my thoughts and prayers. Unfortunately, we can't be with you during this sad time as we are in Florida. I was always grateful that Don got me into Detroit Edison when I needed a job. I stayed with Edison for 30 years and am enjoying my retirement from DTE. He will always have a special place in my heart. With sympathy, Jim Bucknavich##imported-begin##Jim and Sylvia Bucknavich##imported-end##
