“ We give the family of Don our most sincere sympathy. His loss is the closing of a chapter of love, laughter, good friends and good times. We will miss him greatly, yet we have all the good memories to fall back on. Don, was a wonderful part of our lives. A great friend that perpetually smiled and brought laughter whenever we were with him and the family.##imported-begin##Hank & Sandy Charbeneau##imported-end##

“ Don Lynch - The person who everyone should want to be - A perfect husband, father, grandfather, brother, and friend. We all can't be perfect, but Don was!

My heart goes out to your family as you certainly will be lost without him. May your consolation be knowing that he is now free from pain and watching over all of us.##imported-begin##Pat Mileski##imported-end##

“Dad you have been fighting this creature called cancer for over four years. Throughout these four plus years, we have seen many miracles bestowed upon you. Your remarkable phenomena’s may have ended in our duration of life, but we all know you are in a place where miracles are routine. God has been your support and has never left you.

Our Guardian Angel, we will always feel your touch because you leave behind a magnificent legacy and cherished memories and with those, we will never be alone. We will miss your wisdom and sense of humor, but you are now watching over all of your children and grandchildren as we “grow and earn” our wisdom and sense of humor. Though you had to leave Earth to do it, you defeated the cancer and Heaven is rejoicing as we mourn. You will be missed dearly by all family and friends. We love you.##imported-begin##Michael, Donna, Jennifer & David##imported-end##
