“ I wish to express my deepest sympathy for your loss. I will keep all of you in my prayers. Don hired me with Ford Credit in 1974 in Saginaw, and I had the pleasure once again of working with him in Ft. Lauderdale. He was a true gentleman and the best Manager I have worked for. I will always be grateful for the opportunity he gave me and the relationship we developed working together again in Ft. Lauderdale. My thoughts and prayers are with all of you, Debbie##imported-begin##Deborah Peeke-Kyle##imported-end##

“I pray for all of you. Your losses too much but the love you were given by your Mom and Dad will never leave your heart. They will be with you always. They are together again, such a blessing for them to have had such a great love that is so rare. May God bless each and every one of you.

“ *My deepest sympathy to the family of Don Rokowski.
I was saddened when I heard the news yesterday.
I worked at Ford Credit, Coral Springs, Fl, when Don transferred to
our branch.
I never enjoyed working for anyone as much as I enjoyed working
with Don.
I retired too soon after he came to our branch.
I know he loved his wife, his family and the Red Wings. and a round
of golf.
Please know that everyone here is
saddened by the passing of our dear friend, Don.
May God rest his soul.
