“ I worked with Don at Chrysler in the 80's. Don was one of the nicest and most caring people I had ever worked with during my career at Chrysler. I am sorry for your loss and hope all your wonderful memories will help ease the sorrow.##imported-begin##Gayle Carruthers##imported-end##

“ So very sorry for your loss. I was in North Carolina vising Luke and his new daughter. Betsy, Jay,wife Kathy and Amy are in Barcelona Spain getting on to a cruise ship for six European ports, Paris, Venice, Monocco,Rome etc.  
So if the Masinicks had been in town, we would have been to the funeral. Just know that our prayers and thoughts are for your Dad. Give our best to your Mom. I am sure it will be very difficult for her. If we can do anything for any of you, please let me know.  
love to all

“ We are shocked and sadden at the death notice of your Father/Grandfather. He was a wonderful Man always had a smile and a hug when seeing us at the rink. He was so proud of all of you and loved to keep us up to date on all your latest accomplishments in that softspoken way of his. It will be some time before we stop expecting to see Dad, Mom and her Red plaid blanket at the rink. It won't quite be the same but I know he will still be watching you all. Our thoughts and Prayers are with your entire Family.##imported-begin##Elaine & David Gulock##imported-end##

“ As a volunteer in the community I wish to extend my sincerest condolences with the passing of your husband and father, Donald. At times like these it seems no amount of words can fill the void we now have. However, comfort can always be provided from God's Word the bible. I would like to briefly share one thought with you that I hope will give you and your family a measure of peace during this difficult time. It is found in your bible at John chapter 5 and verse 28 (John 5:28). It is the words of Jesus, and he eloquently describes a time when the sting of death will be reversed. I quote for you from the New World Translation: “ Do not marvel at this, the hour is coming in which all those in the memorial tombs will hear his voice and come out.” When you have a quiet moment, perhaps you can view these words yourself in your personal bible to draw added comfort. Until then, your family will be in our thoughts and prayers during this time.##imported-begin##lisa##imported-end##

“ *Don and I go back many years working together at Chrysler. Through these many years, we have shared our thoughts regarding family, working conditions and current events. I was kept up to date on the happenings in his home and family. I felt that there was a closeness and interest in what Don felt about his family. It is with deep sadness that I have been advised of Don's death. There are no words that I can say to ease your pain and loss. The only consolation that I can express at this time is the fact that you and your loved ones have such wonderful memories of Don. This will sustain you for years to come. You have my deepest sympathy at your loss.##imported-begin##Mrs. Ann Frederick##imported-end##*

“ *To the Mass Family,  
Sorry to hear about your loss. It's very difficult to lose someone that you care so much about and has been such a huge part of your lives. Be fortunate that you all were able to share in many memories together. My dad passed away 18 months ago and we miss him dearly. We all think of him often as you will too. I am sure Don and Bud will be "watching the rinks" from above.
