“ My name is Rose Dishman, and I had the honor to call Donna my friend and to serve with her on Wednesday nights during the Pioneer Clubs for the 2 yr. old children program, along with her daughters, Sheri and Stacy at Cornerstone Baptist Church. My responsibilities was reading to the children along with helping Donna and her daughters with crafts, snacks and various activities Donna had planned for every Wednesday night. Donna was full of wisdom and we often shared with each other how important it was to instill in the mind of the children we were entrusted with, the existence of God, and how much He loved them. Donna loved children, her treasures were not material things but her Children and her "precious grandchildren". To her children I want you to know she loved you all very much and would have and had done anything she could for you. I know you will miss her very much, but I hope you will come to realize she now is free, from pain, her inability to communicate with you, like she once could, and she is whole. She is in the presence of her Lord and Savior Jesus Christ, and she is Rejoicing. May God bind you together as Donna would want you to be. Love each other and be there for each other. Because whether you realize it or not you do need each other, and God commands that you love one another.

Love, Rose Dishman
