“ *My sister, Donna, was an angel. She was the most patient and loving wife and mother. We shared so many memories of our trips up to Ossineke when her children were little. My other sister, Sharon, our friends Janet and Kathy and their children would go to Donna's cottage in the summer. It was the best of times with the picnics on the deck and going to the beach daily. We can't forget painting the rocks we found on the beach.*

*There are so many memories of us five ladies having monthly get togethers at each others houses. It was always a challenge to out do Doona with meals and snacks. We met like this for over thirty years.*

*I know her family is grieving now, but she is in heaven. Donna's mom and rest of her family was waiting to greet her.*

*Rest in peace my dear sister. You will be sorely missed.*
