

Donna Marie Petty (Scasny)

April 23, 1960 - May 31, 2025

Donna Marie Petty, of Clinton Township, passed away Saturday, May 31, 2025, at the age of 65. She was born April 23, 1960 in Detroit, Michigan, to the late Steven and Valerie Scasny. Beloved wife of Gerald for over 42 years. Dearest mother of Dana (Vince) Ruggeri, Gregory Petty, and Gordon Petty. Loving Gigi of Mia and Lucia. Dear sister of Gail (Marv) Tacia, Sue (Bob) James, and the late Gary (Maude) Scasny. Cherished aunt of Rj (Ashley) Tacia, Rachel James, Mike Lytle, Steven Scasny, Stuart Scasny, and Sarah Scasny. Also survived by many loving friends and family members.

Donna was a very active supporter of The Pink Fund, which is an organization that offers assistance to those battling breast cancer. In her free time, she enjoyed spending time at the marina and boat rides on Lake St. Clair. However, the thing that brought her the most joy was her family and grandchildren. Donna treasured being a Gigi, working on crafts with Mia and Lucia, and just enjoying time with family and friends. Though her passing brings great sorrow, Donna's personality, kindness, and love will continue to live on in the hearts of all who had the privilege to know her.

“ Donna's strength and infectious personality will live in all our hearts and in the hearts of all the cancer patients she came in contact with throughout the years. I remember reading her posts when she would be dancing for the cause and looking so beautiful! May God bless and watch over all her family. She will be missed. xoxox

“ Donna Petty was a fierce and loving parent — the kind of mom who made everyone around her feel cared for and looked after, whether you were family or just one of the many lucky friends who passed through her orbit. As her son’s old roommate and good friend, I can confidently say I probably gave her a few grey hairs, but she never let that stop her from showing up with grace, warmth, and a great sense of humor.

Whenever Donna visited us in Chicago, she didn’t just stop by — she took over in the best way possible. She’d make sure our apartment was spotless, stocked us with anything we needed, and often treated us to a nice dinner. Her kindness was always front and center, though she never missed an opportunity to tease me about my silly reality show antics or my loyalty to the Chicago Bears.

Even as recently as this past Mother’s Day, she sent me a message calling my mom a saint — which, coming from Donna, a true warrior and incredible woman, meant the world to me.

I love the entire Petty family deeply. Donna’s strength, generosity, and wit will be so missed — but never forgotten.

“ Aunt Donna had a love for life that was so apparent to those of us that had the privilege of knowing her well. Although Cancer took her from us too soon, it failed to dull her spark. She will be sorely missed.

“ My sister was an inspiration. She met all her ups and downs head on with a positive outlook. I am grateful she was able to see her daughter's wedding and the birth of her two "grands". She is a true champion and I feel lucky to have her in heaven watching over us.

Donna was a true example of strength seasoned with great empathy for all . She fought the battle on her terms, she taught us all about love and life!!

I corresponded with Donna for a while after I was diagnosed with breast cancer, and she was a real source of support and inspiration. She was a lovely, loving, kind woman who truly cared for her family and for others. She was strong and courageous, and her loss is huge for her family and friends. I am holding her in my memory, and her family in my heart. (I am the granddaughter of Mary Poznanski.)
