“ Dear Barb & Family,
Aunt Donna was indeed an "excellent part of this Universe" and she remains forever in our hearts and memories. I can close my eyes and see her playing the piano, or making a banana butter cream cake! She lived her life well with courage and laughter. When I visualize her it is always with a smile and a lot of "spirit". You and Chuck and all of your children and grandchildren are a testimony to how well she loved you and how well you loved her...as a child I had many Aunts and Uncles but I had a special category for those I loved most, and my "Aunt Donna and Uncle Charlie" were very much a part of that group.

There can be no finer death than to be surrounded by those you love and to know how much your life has mattered to them... May this thought give you peace and comfort. I know that my Mom is happy that she has come home with her.

Much love,
Donna###imported-begin##Donna Edwards##imported-end##

“ I now have only my memories to get me through each day. I spent almost every weekend as a child with my grandmother, she was there for every memorable event in my life with all her love & support. In good & in difficult times, I could always count on her to tell me that everything would be o.k. She was at my side as I was married to my husband, of now 18 years & also was there with me as I brought both of my beautiful daughters into the world, who she loved so very much. I will never forget how every year on my birthday she would tell me the story of the day I was born, & Oh, how I will miss her telling me that story this year. I will remember all those summer days sitting on the front porch singing songs & tea parties, all those trips to Eastland, and always coming home with many beautiful things. But most of all I will never forget that last month I had to spend with my wonderful grandmother & fuss over her, with make up & hair, to be by her side when she was in her final hours of her life & to hold her tight as I said my final I LOVE YOU, as she left this place and went on to join my grandfather on Fathers Day June 20, 2004.##imported-begin##Susan Pomilia##imported-end##

“ My mother was a very special lady..I adored her..our lives always involved each other.. I spoke to her every morning at 7:am to make sure she had a good night.. She was always my ray of sunshine..Always happy, always positive..She loved her home in Detroit, and when that was taken away from her because of vandalism her life never was the same. She moved in with me, and after a month went by she became ill. The whole family stood by her in those last weeks to make her last days on earth as happy as possible.
We were with her until she took her last breath. She was reunited with my father again on Father's Day.
I will miss my BEST FRIEND.##imported-begin##Barbara Ann Ericson##imported-end##

“ Precious memories of my sister. Donna Mae, will always be with me. From early childhood throughout my entire life Donna was always around me and with me in times of sorrow and distress. I thank God I was able to see her and hold her hand and to tell her how much I loved her and what she had meant to me and my family. A most wonderful lady in every sense, kind and sincere and loving. I will miss her greatly but I will always have my memories to sustain me. My love to Barb and Chuck and all the family and know she is in a better place now where nothing will hurt her and she is with her cherished loved ones renewing memories with them.##imported-begin##Brother & Uncle - Richard M. “ I have such fond memories of "Aunt Donna" while growing up on Goulburn like showing her my new outfits and hairdos, playing in her backyard with Susan and Ricky and her laugh. What a precious time in my life!!! She was truly a special lady and I'll never forget her generosity to me and my brother James. My thoughts and prayers go out to your family and I wish I could be in Michigan to say them personally. Peace- Lisa Burke and family###imported-begin##Lisa Hobbs Burke###imported-end##
