“ On a bright summer afternoon about 53 years ago (I was 12ys old), Dora and Dan dropped by our wartime house on Vimy St. in Windsor, Ontario. I did not know who they were. They introduced themselves, and presented me with a tennis racquet (a Slazenger). It was a total surprise. Given our situation, I would not have got one any other way. It sparked an interest in tennis, that resulted in a lot of time on the courts and in me becoming President of the Windsor Tennis Club 11 years later. I have many fond memories, and several acquaintances from that time. It took me in a very positive direction, that I only just recognized when I thought back to their gift. My whole working career was in education, and I will be happy to make a contribution to the Fund in Dora's name.

“ At this difficult time, draw on the strength of each other and our Lord. His care and love will embrace you to bring you comfort. Remeber all the good times, the laughs and the memories of your time spent with Dora. Hold each other close. You will get through this sad journey.
