“ Aunt Doris always welcomed me into her home when we would visit. She was so happy to be around family and it showed with her laughter and contagious smile. She was the true meaning of an awesome Wife, Mother, Grandmother, and Aunt. I will never forget those great memories I have of her and will cherish them forever. My thoughts and prayers are with all of my cousins.

“ Very sorry to hear of Mrs. Nutts passing. Having known her since junior high, I always thought hers was a life well-lived. Always kind and generous, and if she ever had a bad day, noone would ever know it. My sincere condolences to her family and all who counted her a friend. She was an always an angel.

“ Dearest Doris and family may our Dear Lord hold you and give you peace.

*For a couple of wonderful years Doris was a loving second Mom/home to me even though Rose and I were probably pretty snotty teens at times. She had a lot of kids running through that home and always treated me as one of her bunch.*

*I've nothing but loving memories. May God bless all of you.*

“ I meet the smiling Doris Nutt when I was working at American Speedy with her daughter's Rose & Mary Alice. I loved when she would visit she would always stroke my hair and say pretty hair. LOL She always had a smile on her face and laughing. Heaven has a very special angel now with Doris. Our prayers and hugs go out to the whole family.

“ Aunt Doris had a gift and everyone who met her couldn't help but love her. She wanted me to find a good man so, Aunt Doris, now that you are up there in heaven, can you pick out a good one and send him my way please? Love you forever, Janie D.

“ Trying to come up with a deserved description of our beloved Doris I thought I would look up the word "compassion" because she had a lot of that. Right below that was the word "compatible" which turned out to be better. It said "able to act together harmoniously". Doris was one who could sit down with anyone, anytime, anywhere and discuss any topic (even the Detroit Tigers) and when done you would walk away saying "what a terrific lady". You always felt comfortable around her and she seemed to make you a little better person for having known her. I was blessed to have had her as my daughter's mother-in-law and spent many family get-togethers laughing, rubbing elbows and just pure enjoyment. I do have to give her a lot of credit for raising so many outstanding children and making sure they found as good a partner. She fully deserves the kindest of adjectives because she continually gave until her heart could give no more.

*I was so lucky to have an aunt like Doris. I have so many great memories as a child. I grew up in Kalamazoo. In the summer and holidays I would spend a week or so with my cousins and Aunt Doris and Uncle Frank. I just remember how much fun their family was. Aunt Doris had a heart of gold and when we would speak in recent years.... she would always leave me laughing. She was truly a great lady with the biggest heart💕💕 Susan Crespo*
