“ *Though it has been many years since I had seen Mrs. Cyplik I have many fond memories of good times in the Cyplik home. May God Bless Dorothy, Jim, Noralee and all who loved her.*

“ *She was such a am amazing women with so much love and strength that she shared with everyone who was fortunate enough to be a part of her life, she cared and loved everyone around her, even every animal great and small. Rest in peace with the Lord, you will be so missed! You have shaped who I am in so many ways, I would not be who I am with out you. You'll forever be in my heart! My favorite memory (though there are so many to choose from) is sitting on her sun porch watching the raccoons cone to eat the food she had laid out for them. Staying at her house as a child was magical!*

“ *Mlrs. Cyplik was our neighborhood nurse for all the animals. Every time I found an animal I will take it to Mrs. Cyplik to fix it. I am so glad she was a part of my life. Love and prayers.*
