“ So sorry to hear of the loss of your mom. Osmola family lived down the road from you all. Many years of riding bikes down to get sweet corn, and Bill and Robert taking my sister Mary Ann and I to school at St. Augustine, and remember your mom and dad had us all over for a venison dinner!! I just drove down 28 mile the other day to show my granddaughter where I grew up and went by the Hessell house thinking of your mom. Such a sweet woman, and an awesome family. Our sincere condolences to you all. God Bless.

“ I will miss Aunt Dorothy's Christmas season phone call. We always started out our conversation with "What's for dinner?" She would always fill me in on her family and the big happenings of the year. Her love for her family was always evident! A sweet, sweet aunt who will be greatly missed! My sincere sympathy to all of you! Bev
