“ Our condolences for the loss of your mom. This is Kevin and Linda Williamson that lived next door for about six years (28) years ago. We were pleasantly surprised that your Mom was still around at 92. When we saw her in the obits it brought back so many great memories of living next door to her. She always had a pleasant smile and always made us feel like family. Carol if you are on Facebook look me up(linda warwinsky williamson)Hugs to you all.

“ Dorothy was a kind and giving lady. I still remember her going out of her way to help me out when I was a scared 4th grader. She made a huge impact on all the girls in scouting and was a person who really gave of herself to others. Our thoughts and prayers are with each of you. It was a privilege to know her - she was an example to all. Special hugs to Hank - Clinton Township Parks and Recreation sends their thoughts and prayers to you.

“ *Phil & Family,*  
*I have a beautiful knitted blanket that your mother gave Tiffany when you took her to see your mom at her house. I will always cherish this blanket knowing your mother's precious hands took the time to knit it for my daughter. May God continue to give you comfort and peace during this time.*
