“ Dear Martha, I was so surprised and saddened to see the notice of your mother's passing. Please accept my sincere condolences (and for the passing of your grandson! I'm so sorry!). I'm not exactly sure how we lost contact with each other - my memory is fading already! - but I'm heartened to see you've made a wonderful family who I'm sure will love and support you. Do you remember Shirley Ulbrich (now Kiser)? She would very much like to get in touch with you; she's now living in Florida, and doing well, albeit with health challenges (her preferred method of communication is the telephone). I have some old photos of our families that I'd like to send to you as well if you think you and your family would like to see them. Wishing you blessings, Pat (Lalich) Gall jmpcgall@gmail.com ”
