“ I was blessed to call Dorothy mom for 72 wonderful years. She taught me through example compassion, respect, love , devotion and self sacrifice. I saw her support her aging parents as they struggled with issues . I witnessed her devotion and love as she lost my dad . I admired her strength and resilience as she recovered from his loss. I was lucky to have her love and comfort when dealing with pain from ear infections and a broken heart. She was there to help me teaching me to jump rope, deal with mistakes, and try to sort out important decisions. She gave me the important gifts of unconditional love, confidence to stand on my own ,as well aa knowledge and wisdom to help me in the days ahead. For this I am forever grateful and will always cherish the days and times we shared.

“ Dorothy, she always told me she loved me like a daughter. I too loved her like a mother. I never once heard Dorothy talk about anyone. I spent many weekends with her and Max. Best quality times ever! We would go to the casino, hunt at the resale shops, then finish with dinner in town for a hamburger and fries. We would go home and try on our treasure finds. She was always kind and giving. Times spent with Dorothy and Max will always be cherished memories I will forever hold in my heart. We carry these memories and fun times wherever we go. Dorothy gone, but never forgotten.

“ *Dorothy was by far the best mother-in-law I've ever had. I first met the family in 1979 and was treated like a family member from the very start. Dorothy loved talking about her father and how much she loved him. She will be missed!*

“ Dearest Mom,

I wish I could have kept you here with me always. You were my inspiration, my sounding board, and friend. You were always there on those tough days; telling me what I needed to her not necessarily what I wanted to hear.

Your struggle is over now, I hope you are reunited with those that have passed. Give dad a hug and a kiss. You will both always be in my heart.

I was very sad to hear of Auntie Dorothy's passing. I didn't get to see her often but I considered her "my favorite". She had that laugh that seemed to come easy to her. That, I will always remember. Even as a kid, I remember looking forward to seeing her because I knew if Aunt Dorothy was around it was going to be a good day. Another one of my favorite memories is the Christmas Cards she would send to us. There was always a nice long letter in the card about what was going on with the family. I'm sorry that we didn't make it to the service. We headed down to New Baltimore for the service but weather stopped us. We got three miles down the road, just south of the Turkey Roast, and had to turn back. She will be missed. Thank you Diane for letting me know of her passing. --Craig Waynee
