“ I remember the times at Dorothy's house for the bicentennial party and graduation parties. The times I spent with Aunt Dorothy, Uncle Edward, and cousins were some of the best times of my life. Aunt Dorothy will be dearly missed and forever remembered. She will always hold a piece of my heart. With love and prayers to all of my cousins. “ Vicki I know that you and your family are going through a difficult time right now, but as it is always said "all things happen for a reason". Your mother lived a long full life and thank God for the long time you had with her. She was able to see and love her children and grandchildren. She was ready to go and rest with God. I can blame her for that!

You and your famly are sincerely in my prayer.##imported-begin##Drena Johnson##imported-end##

“ Rest In Peace Grandma you will be missed. As Cousin Bill said you were the "Rock" for us grandchildren. I'm sad to see you leave this world but I am glad you no longer in pain. The one thing I can say that my Grandmother always told me, "Don't worry what other people think, just be happy for who you are & always say what's on your mind." I will always remember her as the loving & caring person she was. Us grandchildren could always get away with anything at Grandma's house...& we never went hungry in that house but if you did leave hungry is was your own fault. Grandma always had cookies in the cookie jar & pop in the fridge whenever anyone of us would come over. She would have gum in her top drawer if anyone of us wanted it. I love you Grandma & now you are up there with Grandpa watching over all of us. PS: Smack Uncle Ron for me when you see him...lol.....I will always love you and you will forever be in my heart.
