“ To Gary and Val, Karen, David and Lynn Pat and I are so sad to hear about your mom. I have been thinking of her ever since we heard the news. I have known your family for almost 60 years. Gary and I became good friends around 5 years old. I was always hanging around your house in Detroit that your mom referred to me as her adopted son. When we were kids your mom would ask me to go with your family on camping trips in your camper. She always found room for me. Great memories! Remember your backyard swimming pool? I always had an open invitation! Your mom was so nice to me. I remember when I would deliver newspapers on a hot summer day. She would always offer me a cold drink. During those cold winter days she would have me come inside to warm up. When Pat and I got married and had our daughter Jill, your mom would always, and I do mean always ask how she is doing. WE appreciated her thoughtfulness. Now, she gets to spend the rest of time in Heaven with your dad and family and friends. I will miss your mom. She was very special. Thanks for all the memories Mr. and Mrs. Thomas.... your adopted son, Gary

“ Karen and family I am so sorry about Dorothy. I can surely recall the many times at bowling when we either made her laugh or not. The pranks we pulled and the looks she gave us. I truly believe she's got her bowling shoes on all ready. She will be missed
