“ Oh how I loved my Aunt Dorothy, as growing up around Aunty I found her being so kind to me and taking extra time out of her busy day to include me in with her family when I stayed over night, where Donny her oldest son and I hung together a lot and boy could she cook meals fit for Queen, especial her Peach Jam. Oh I could go on and on but most of all a very kind sole she was my Aunty Dorothy .

*Now has joined her family in heaven and left behind good memory's of how she was to me. Your Neace Susan Kasperski,
My heart goes out to her family loosing there mother.*

Susans Kasperski - August 04, 2018 at 06:23 PM

“ *Your Mom and Grandma, Dorothy, what a delightful lady!*

I had the honor and privilege of sitting at dinner with her, my Mom (Pat Wiegel), Doris, and Phyllis for several days when I was there, from Phoenix, helping care for my Mom. Your Mom had a servants heart as she gathered all our empty plates and silverware. I so enjoyed getting to hear some of the tales of her life and your family. She was SO VERY proud of all of you and loved you greatly!

As I sit here this morning going through the photos you shared I can see that your family had a very special and close relationship. I so enjoyed the photos of your Mom and Dad - I can see they had a beautiful romance.

May God comfort you all as you say goodbye to your Mom, Grandma and Great Grandma. I know she'll be missed by you all. I know my Mom will miss her, too.

In Deepest Sympathy,

Cindy (Wiegel) Mrva

“ *Deb and family,*

So sorry to hear about the loss of your mom. I hope you all can take comfort that she is at peace and reunited with the love of her life your father. May it be comforting to know that others have you and your family lifted in prayer at this time.

“ *Dorothy was one of the sweetest women I've every known. She
always welcomed me and smiled when I would see her. I loved
talking with her. She was warm and friendly and always asked
about my family. She was a beautiful person.*

*Love and prayers to all the family,
Patty Wiczorkowski*
