“ Grandma leaves a legacy of qualities to emulate. She was kind, generous, funny, and genuinely humble. I never questioned her power of prayer and was often in awe of her quiet greatness. She has created an ever-growing family that will always remember her for her grace, her wit, and her loving example. I know her gentle presence will be with us always.##imported-begin##Chris Kean and family##imported-end##

“ *My Dearest Grandmother,*

We had precious few moments together over the last few years, but I treasured each visit, and each story from my mother. Your sarcastic wit was sharp until the end, even as your memories faded. You were always graceful & elegant during your life, and have left us with that example to emulate.

While we are sorrowful that you've departed our lives, we are also joyful in knowing that you are at peace.

To you Grandmother, we raise a parting glass, & are comforted in knowing that death cannot take our memories of you.
