“ We will miss Dot's cheerful "Hi!" when working outside, but mostly her generosity. There isn't another person we know who would lend a neighbor their dog. Anytime we would like to have Taffy visit us Dot sent her over.

*She was the perfect grandmother, too. We will always remember her with the kids sitting under the tree on a hot day or letting them run under the sprinklers. They all really had fun and adored their Grandma. We know she and Conrad brought up their children to be very fine adults. Now she can rest up in Heaven with her other family.*

*God bless you, Dot.*

I am sorry for your loss. They always speak of the better life she will start but that to me was always hard to understand during the beginning. My thoughts and prayers are with all of you.##imported-begin##Michael Englund##imported-end##*
