“ My sincere condolences for the loss of our neighbor Dot. I will remember the dressed up geese on her front porch and seeing her take short, slow walks around the court. We will miss Dot. Robin Oman.

“ Aunt Dot was one of a kind. She told it like it was and just a firecracker. My favorite memory of her was when she got Karen her first car. A great big green machine. It was a great car. It took Karen and I to school many days and to the mall too. Aunt Dot would tell us if we got hurt in that "tank" its our own fault. I will miss her quick wit and smile.

Dot became a dear friend and adopted grandma to me by sharing a space on the church bench every Sunday. Best memory- we went out looking at Christmas lights just last year. She didn't tell anyone she was leaving. Needless to say 1 1/2 hrs later everyone was upset and looking for her. Later when I apologized for getting her into trouble she said " They'll just have to deal with it, I had fun" She will be greatly missed, Love ya girl!

I have fond memories of Miss Dot. She was feisty and loving at the same time. She told it like it was when we were teenagers because she cared about all of us. Godspeed Miss Dot.
