“ Dear Denise and Family, I could not let this go by without saying how much Doug will be missed. He was always so kind and so pleasant and caring. There would never be a day that he saw me when he didn't ask me "How's it going?" He always had a smile on his face even when I know he probably wasn't feeling well. He was one of the great ones and my life is better for having met him. May The Father of all peace comfort your hearts and the hearts of all of your loved ones during this time. He is faithful!

“ Doug is my son's brother -in-law. I had the pleasure of spending time with him on many family occasions. Always a hug and genuine interest in you. David played in a Rock Band for sometime. It was loud! but good. I recall that Doug, George and I would sit and listen and try to talk. It was crazy, but when Denise, Debbie and Nicky would get on the floor to dance, he would just beam with Joy. He would sometimes attempt to dance but like George and I he loved watching the sisters have fun. I will miss him and his smile and his great hugs. In his memory we should all hug more and smile. Thank you Harcourt family for bringing me into your family circle. With Love, Joyce

“ Every time I saw Doug he would stop what he was doing, look me in the eye, say my name with with a smile, and embrace me with a hug so long and tight I could feel his love. He was gifted in making me feel, for that moment, like I was the only other person in the world. I am certain that he gave that same sincere attention to everyone who was lucky enough to call him friend, or in my case, cousin. Although I will miss Doug, he will live on in my memories. Denise, Alex, Max, Steve and Jeff: I love you and you are in my heart and thoughts.

“ Denise, Alex & Max,

So sorry to hear of the untimely passing of your husband and dad. I will always cherish the good times we had. Jeff said that his favorite holiday is coming up: the 4th of July!!! Oh, how Doug liked to invite all the neighbors to celebrate and light off fireworks for the whole neighborhood to see!!! We will miss those times for sure!!! He was a great guy who loved to entertain and will truly be missed. XXOO

“ Dear Denise, Alex, Max and the Harcourt Family. What a shock when Pat called us about Doug. Its hard to believe he's gone. We will always remember his smile and his kind way about him. Even though we've only seen Doug a few times, he had a way about him that everyone liked, a kind soul. This will be a difficult time for all of you, just keep him in your thoughts and prayers. We will all keep his memory alive. I remember when the four of you came to Disney and Pat, Darlene and I met you all at the Rainforest restaurant for lunch. That was a very nice day. And when Doug came down for his insurance adjusting job and he came over our house for dinner. He was such a nice man. Doug was born the year I graduated from High School. May God bless his soul and may he rest in peace eternally. I'm attaching a picture that I always liked when Max and Alex were young. Love always, Aunt Marlene and Uncle Leon

“ Dear Denise, Alex & Max,
We in Florida are so sorry to hear about your Husband and Father. We only met him one time and that was when he was working for Allstate & came down for all the damages done by the Hurricanes back in 2004. We were staying at a rental home due to all the damage done to our house and invited him to dinner one night. He was so nice and we immediately liked him very much. I am sure he will be missed by everyone that knew him. From what we heard the cancer had spread and he suffered deeply. We are so sorry for your loss but now his pain & suffering is finally over and he is in a much better place. May God bless your family and help you through this difficult time. Love, Aunt Darlene & Uncle Mike

“ Dear Denise and Sons,
Uncle Ken and I are truly sorry for your loss of one so dear. Our memories of your husband and father are of his smile and kind ways for everyone. We are sorry that we did not make an effort to visit and be with you.
My God be with you at this most difficult time. May you remember the happy times you had with him more than this time of sadness. We will be with you on Monday and Tuesday. If there is anything we can do, please let me know.
Love and prayers,
Aunt Gwen and Uncle Ken
