“ *I had the honor of meeting Doug through my work. He's always  
been one of my favorite people. :) He was always so happy and  
smiled that great big smile of his for all he was worth.*

*I remember going to UM one time and it took us forever to get to his  
doctor's office because Doug stopped at EVERY office/reception  
desk along the way to talk to (flirt with) all the receptionists. Another  
time he asked me to marry him in the middle of his meeting.*

*I'll always remember his joy, his dancing, his amazing freindships  
(particularly with Tom) and of course his smile that went clear up  
through his eyes!*

*I'm lucky to have known him and he will be greatly missed by many.*

*I'm so sorry for your loss.##imported-begin##Cindy

“ Uncle Doug,  
I will never forget the times we shared. Playing with legos, cars and trucks, listening to your records, and watching you act like batman. You where a true superhero in my eyes! You always made the room light up! You always where super excited to see and visit with our family! You will always be in our thoughts.##imported-begin##Grace##imported-end##
