“ Tish & family,
So sorry for your lost, and that I didn't read it until tonight or I would have come down. You all hold special memories for me and everything you did all the years for Mom.
You will be in my prayers and thoughts.
May God hold you in his arms during this difficult time but take peace in knowing he is with our Savior.
God's Peace and Blessings,

“ Doug Germain was about as special of a man you ever want to meet. I worked with Doug for four years and have been friends with him for 17 years. Once you were Doug's friend, you were friends forever. He was a great guy to work with or to just have a beer with and talk. He had the most infectious laugh and wonderful attitude. Doug's commitment to his family, friends and his job were always an inspiration for me. He was a "giver" and never expected anything in return except respect and he had the respect from everyone who ever met him. Most everytime I've driven through Michigan since 1995 I've spoken with Doug on the phone to catch up or just to say hello. He also called me quite often to keep me posted on many things and to talk about his family or Detroit sports. I will miss his conversation and I will miss Doug a lot.##imported-begin##Tim and Becky Maloney##imported-end##

“ Mr. Germaine was not only wonderful to his family, but he was a one of a kind friend to my father, Mark. The two of them became great buddies 30+ years ago. As a child I knew Mr. Germaine as the fun, good hearted pal of my Dad. In fact when I had my confirmation, he brought me in an enormous box of Frito-Lay chips! What an awesome gift for a thirteen year old! He really had us laughing that day, and on many others. As an adult I came to realize how truly loyal and supportive of a friend he was. My Dad is a very private person, but Mr. Germaine was his "go-to" guy. The type of friendship they shared is one we all hope to have in our lives, yet one that can never be duplicated. Thanks Mr. Germaine, for being the type of friend that my Dad needed for thirty years, and for the smiles and joy you brought to all of our lives. Word can't express how much you'll be missed. My love and prayers to Tish, and the entire family.

“ Uncle Doug took my mom to the hospital when she was sick. One time she decided to go alone. Being such a sweet and caring man and very connected with his siblings he went to the hospital anyway. Uncle Doug found Norma idling in the parking lot where she'd been waiting for quite some time. She was waiting for a spot to open up closer to the door, in too much pain to park far away. I can only imagine how happy and relieved she was to see her brother pull up. It's one of a million examples of how those 9 kids held each other up. It inspires me and reminds me how lucky I am to be in this family. I'll miss him always.##imported-begin##Amy
