“ Dear Saric family, as your neighbors, our hearts pain every time we pass by Dusan's memorial on Schoenherr. No Doubt losing a sibling, and especially a child to death, is no doubt one of the most unbearable tragedies to have to deal with in this world. May the Bible's hope of the resurrection of our dead loved ones will bring you some comfort and hope. Many people feel that God "takes" our loved ones when "their time has come", but that's not what the Bible teaches. Ecclesiastes 9:11 says that "time and unexpected events overtake us all". However, the Bible also holds out a beautiful hope for the future. Under God's Kingdom, our grief and pain will be replaced with Joy when Jesus brings our dead loved ones back to this earth during the resurrection. This is found in the Bible at John 5:28,29. At that time, Revelation 21:4 will be fulfilled, which says, "And He (God) will wipe out every tear from their eyes, and death will be no more, neither will mourning, nor outcry nor pain be anymore. The former things have passed away." At that time, people will be resurrected on this earth, which will be transformed into a paradise like the Garden of Eden, and no one will grow old, get sick or die anymore! We hope these scriptures will provide you with some comfort and hope. We are so sorry for your loss.

“ *Dusan played for several years in the Orthodox Youth Athletic Association (OYAA) basketball league, and we were deeply sorry to hear about his tragic passing. He will be missed, because he was a nice young man man who always played with class, showed good sportsmanship and set a good example for the younger players in the league. May his memory be eternal.*

“ *Dear family, I am sorry about the loss of your loved one Dusan Saric, and I want to extent my deepest sympathy. After the death of a loved one we sometimes wonder what will become of me now that they're gone. I have found comfort in Matthew 6:25-34, which tells us never, be anxious about the next day, for the next day will have its own anxieties. Please find comfort in these additional bible scriptures Luke 23:43 and John 11:30-38.*

“ My daughters and I had the pleasure of watching Dusan grow up. Dusan was special, he was protective of his brother and sister and made sure to help my daughters too. If we needed a bike wheel fixed, a cell phone or computer issue, a pair of strong hands to help set up party tables. You name it Dusan was that little boy who acted like a grown man. I found comfort knowing Dusan was right next-door; his whole family had helped me with little house hold issues too. It was obvious Dusan had great role models. All hard workers. Dusan was also a great athlete, I can recall BMX tricks up and down my drive way and his speedy legs zipping by my pool to go fish in the lake. Dusan was just awesome, always happy, full of energy and yet wise, disciplined and caring. Juliana, Valerie and I will always look over to his driveway and wish to see him cleaning his car, cutting the grass or playing with Mickey. My gorgeous neighbor, the subdivision will surely miss you. We love you and your family, you're an absolute angel and the good Lord is so very lucky to have you.
