“ Dear Family, Sorry to hear about your Dad passing. I spoke with him about a year or so, and we had a great conversation. He was upbeat and happy, and I asked him if you guys still got together once a week for cards, and he said you did. He really enjoyed that. That is amazing that your family shared that so often, that's rare. You should continue that. My condolences to you, and keep supporting each other. “ I was so sad to read the passing of my childhood buddy & friend Earnie. We spent many good times together during our gradeschool days. Living in Northville and the inclement weather I will be unable to attend your services for Earnie and would like to extend my deepest sympathy to his family on his passing Bob Chaldecott##imported-begin##Robert J Chaldecott##imported-end##
