“ Uncle Ed, I will miss you dearly in so many ways. I will always remember the Badger Street home where my parents and I (and brothers) visited you, aunt Helen, Irene and Susie often. I'll remember you, your brothers and my dad having typical Polish conversations at the kitchen table. No one argued, all of you just talked and laughed loud. :-) I, ll remember the little farm house in Emmet and you giving us tractor rides and a place in the country to play. As with you and your siblings passed, I'll have so many of the best memories of my life and I thank you. And lastly, I'll remember one of our last get- togethers at your Warren home with my mom, Irene, Frank, and your sweet caring friend, Virginia (who I know will miss you dearly as well). Rest comfortably, Uncle Ed. Lauren
