To the best father-in-law a girl could ask for. You have always treated me more as a daughter and I loved that as you are the only real dad I have had. Thank you for all the whispered laughs when I would give you a hug and for all the times we would talk. Also thank you for being an amazing papa to Crystal and Dylan and an amazing dad to your son Michael. You have made all the difference to our family. As far as in-laws go I really hit the jackpot. Always in our hearts ❤️❤️. Love you Pops 🙏🙏🙏
