“ Dear Gail, I haven't been on this site for quite a while. I was so surprised, and sad to see your mom's obit. I just loved your mom, and was so very glad to be able to get to know her even if it was for a short time. I will miss seeing her, and you when I am able to go back to see my mother. Please take care:)

“ *I have too many to share but my favorite memory is always just walking into a room and her saying " my best girlfriend there she is" with a big smile on her face ever since I was a kid, I'll miss you my best girlfriend I love you.*
