“ Dear Eades Family Members:

We, are very saddened to hear that our dear friend and St. Joseph - Detroit High School- Class of 1954, Classmate, has died this week after some health issues, that he and the family have dealt with for some time. Our joy and happiness comes from knowing, by our faith and Our Lords Grace and Mercies, joins Him in heaven. It is never too late to

send our condolences and prayers and message of support to each member, who have

been the closest to him and encouraged him and served him with your love, devotion to

care for his needs and have many opportunities to love on him. He was a favorite of us

St. Joe guys. We always knew we were protected when Ed was on the streets of Detroit,

in uniform as one of the old school police mode of operation. He was a good story (tell

it all) about his beat and escaping danger. Please accept this note from the Classmates,

especially the members of the Detroit Police Force, and us guys who met for lunch once

a month, for lots of years and always enjoyed each others company. We'll see him later.

God Bless May the Lord give you strength, joy, peace and comfort as you en-

dure the time of grief that comes with losing a vital member.

Conrad Peters St. Joseph-Detroit Class of 1954
