“ Our sincere condolences and sympathy go out to Aunt Jane, Denise, Kenny & Eddie for the loss of a devoted husband and father. Our blessings are extended to the remainder of the family and we share in their loss.

Uncle Ed has touched my life for so long that it's impossible to share any one memory. Growing up as a kid, sharing family events and holidays throughout the years and engaging with my parents when both were alive. On a lighter note, the Good Lord never blessed me with the "DIY Handyman" skills that Uncle Ed possessed. Perhaps there are a few remodeling jobs waiting behind those pearly gates once he arrives. God Bless!
