God takes the really good ones when they're needed, and, I certainly know your the man, and you were needed. I have fond memories of you, whether it was at the track, Tiger baseball games or the trip to Vegas with the rest of us boys. A true champion in everybody's eyes. May God Bless You Always!!!!

“ *To my Grandfather:*

Tell whomever said "you can't take it with you when you go" that I'll take you with me instead. For me, you're in so many places. You're here in California, where I'm aware at each moment of just how proud you are of me, because you told me so. You're on the golf course; when I tee up my first shot, I recall the shots I watched you hit, when I was only very small. You're in the change pocket of my purse, on every state quarter. You're in the words of my 5th grade poem--the one I read to you when you celebrated Veterans' Day at my school. You're on the phone when I call my mother, she'll echo back your words to me, and they will always feel familiar. You're in my everyday life, and, no matter where I go, there you'll always stay.

*All my love,
Molly*

“ Dad - I want to thank you for everything you have done for me in my life. You were not just my Dad but my hero, my best friend and the man that took care of the family and my other hero - Mom. You were the rock Dad. The rest of my journey for my life will never be the same without you Pop. What will keep me going is I know someday we will all be together again in Heaven. As I promised you - I will always take care of my family and Mom. I know I could never fill your shoes but I will never stop trying. You set the bar so high only a man like you could have done the things in this lifetime that you did. Everyone loved you and you made anyone feel so good to be around you. Find the best golf course up there Dad We will play it together when I arrive someday. Say hi to Glenny and Paul for me. You will always be in my heart Pop.

Love you always Dad

“ Coz was a friend from my early days at Chrysler at the KTK Bldg in Highland Park. He was always friendly and helpful and kept the attitude "light" with his sense of humor. We connected around college football and Notre Dame. As I recall, he was an ND fan (it's been quite a few years so I could be mistaken). In any case he was a good friend when I was one of the new kids on the block at Chrysler. RIP, Coz!

“ *Early this morning the world lost a wonderful father, husband and role model in my Grandpa Ed. He was one of the most loyal, caring, generous and outright hilarious people I will ever know. This last year has been hard, and even though I miss him with everything I am, I know that he's in a better place. I love you, Grandpa, Rest in Peace.*

“ We met Ed and Elaine Piasecki fifteen years ago when we moved to Shelby Township and joined St. Therese of Lisieux Catholic Church.

Ed always wore a great smile and had a great sense of humor. You never heard a bad comment or story from him about anyone. He always had something good to say about everyone. Ed loved life and shared that love with everyone.

As sick as Ed was during these last months, he never showed it. When God called Ed to Heaven, he went peacefully.

We will miss Ed but we will always remember him as a wonderful FRIEND.

Farewell Ed and enjoy your heavenly rewards.

Love,

Richard and Delphine Pazin

“ What I will miss most about Grandpa Ed is how well him and I connected. Whether it was about a game show on TV, new fast food menu items, or a slot machine at the casino. Grandpa could put a smile on anyone's face from the instant he started talking. His jokes were truly unforgettable. He was the true all American Hero. I will miss every single thing about him, but will never forget the countless memories. I love you Grandpa. Watch over us all. 💕💕

“ Grandpa Ed was one of those guys who always put a smile on your face. He was the king of corny jokes but you couldn't help but to always laugh. He was the greatest NFL football handicapper of all time...Monday morning after all of the games wrapped up. He would always get frustrated because he just always had that hunch on what the winning lottery numbers were going to be...five minutes after they were drawn on TV.

I always cracked jokes how my dad was so much like my Grandpa. Then people would turn around and say I was just like my dad. As I sit here thinking about that, I realized today how similar we all are. We all love a good casino story. We were always down for good sandwich and chips but most of all, we all shared the same good looks. I will never forget his famous words of wisdom that I got every time I saw him. He will definitely be missed by many but will never be forgotten.

Dear Elaine

So very sorry to hear of Ed's passing and that we can't be there to express our sympathy in person. Please know that you and Ed are in our thoughts and prayers. I (Don) can't help but recall all the fun times at that special place, St. Sylvester Parish.
