“ Ed Spencer and I were long-term friends. He was 30 years senior to me.

Ed was my mentor in the Dept. of Physics when I was hired by Bendix Research Laboratories in Southfield, MI, in 1978, through the Lab's main closing in 1981. He taught me many tricks to use when performing experiments with laboratory equipment, typically in the fields of electronics and optics. Ed and I maintained contact via phone calls and cards after I relocated to Northern Virginia upon completion of a graduate degree in Physics at Oakland University. Ed had a great sense of humor and I enjoyed learning from him. He will be missed.

“ I am so very sorry for your loss. The Bible makes this comforting promise: "Jehovah is close to the brokenhearted, he saves those who are crushed in spirit." (Psalm 34:18) It also assures us: "Throw your burden on Jehovah, and he will sustain you." (Psalm 55:22) May these thoughts bring you a measure of comfort at this difficult time.

“ *Mr. Ed was a dear friend to us. He was an amazing person who lived a remarkable life. We feel so lucky to have been a part of his life and for being able to spend time with him over the years. We always enjoyed hearing his life stories including the fascinating WWII stories. We will miss visiting Mr. Ed at his home where we shared many good times and lots of laughs. Some of our most memorable times were the double feature movie nights. On these nights Mr. Ed would serve us cheese popcorn, sodas, homemade cookies, fudge, and chocolates. We would tell him “Please no more Ed” and he would reply “Boy oh boy you barely ate anything” and would proceed to fill up the bowls with goodies. Mr. Ed will be missed but he will never be forgotten. He will always be in our hearts.*
