“ I used to work with Ed and Cellular Concepts. Ed was a kind, gentle man who loved to laugh. We use to keep in touch by email. He had emailed me a picture when his grandson was born. He was so proud and excited. I too just had a baby girl (my first child)and lost my mother this past February. I know the grief you feel and all the dreams that died along with him. I know he was a great husband, father, grandfather and friend. Please take comfort in knowing he adored his family and talked of you all often.##imported-begin##Becky Perry##imported-end##
