“ *Mary Jane,*

I have such wonderful memories of spending time at your house and cottage with your dad (and mom).

Your dad was a gentle man, a good person, and I've always been grateful that I felt welcomed by your family for so many wonderful gatherings.

Love,

“ *Mary Jane and Brian,*

We wanted you to know how sad we are at your father's passing. We know how hard it is to say good-bye to parents. We are thinking of you and hoping you will find consolation and peace in a lifetime of memories.

Love from us both,

“*Mary Jane and Family, Please know that your Dad will be missed by our family. For many years the site of he and your Mom sitting in the open door of the garage together watching the world go by was a comforting site for some of us. Even after your Mother's death Ed and I would sit in those two same chairs and comment on the world's problems and provide fixes as he patted Duke's head. We will miss him and his constant farewell of "God Bless You."*###imported-begin###Rhys, Jill and Duncan Blair###imported-end##
