“ To the family, please accept my sincere sympathy. Death at any age is tragic because death is an enemy that takes our loved ones from us and leaves the survivors with unspeakable hurt and pain. However I find the Bible's promises to be very comforting. Our Loving Creator Jehovah God, gives us a wonderful hope, namely the prospect of living in a paradise on earth in peace and happiness in the very near future and seeing the resurrection of our dear loved ones.(Luke 23:43;John 5:28,29) May these Bible truths help make your present pain a little easier to bear. Take care##imported-begin##Mrs. Harris##imported-end##
