“ Ray, although I can not be there to give you comfort, a hug, or a pat to show how much I care, I want you to know my prayers are with you and your family as you go through this difficult time. May God give you the strength you need and fill your heart with the wonderful memories of yesterday.

“ Uncle Ed, I was really glad that I was able to see you this past summer at the reunion. There were so many great memories over the years from all those family "get togethers" on the farm and at the holidays. You are surely going to be missed. My love and prayers to all.##imported-begin##Mike Filip##imported-end##

“ Uncle Ed will be missed! Those blue eyes said so much of who he was. Full of twinkle and not afraid of adding some mischief!! The Szpiech brothers and sisters were a gift to all and I am so proud to be a part of that lineage. Charles and I will keep all of you in our prayers and thoughts!
