“ *To Mike, Paul and Everyone:*

*My thoughts are with you and your family on the loss of your parents. Please know that all of the Zalewski's in Pittsburgh feel the same way. My parents Bill and Nancy were so very fond of them. My mother was a part of their wedding way back when and often speaks of it to this day. We were this close to coming up to Michigan to offer our condolences and love in person but my father wasn't feeling so well. We hope to get up there when the warmer weather arrives.*

*Much love and thoughts with you,*

*Larry Z.*

*p.s. The Feliz Navidad video is priceless as well as all of the photographs. Thank you for sharing them.*

*So very touching. My parents (Ed and Theresa Bach) used to play cards with them and all of us kids used to play together. When Christine came down with chicken pox (or was it measles?) she stayed at our house for days. Then WE got them!!! All good memories*
