“ *One of the best friends of Walter and Phyllis.
What wonderful times we had with Ed and his wife Joann. He was such a generous and loving friend. He was always willing to help Walt when we moved to our new home in St. Clair Shores. We had wonderful trips together with Ed and Joann which will always be remembered. He also gave our daughter, Lisa, a job at the fish market that helped her get thru her college years. Ed was also a great chef when preparing his wonderful seafood. Ed will certainly be missed by us.*
