“ Elaine was such a great influence on me and was a great mentor. I had known Elaine for a couple years when I was at Creative Empowerment Opportunities. She was so kind and polite to me and someone who taught me to strive for the best and then being the best. My thoughts and prayers are with the family and I surely will miss her.

“ Please accept my condolences on the passing of Elaine. I worked with Elaine indirectly for about 13 years. She was a very kind and loving person, who took great pride in the work she did. We always talked and swapped stories about our grandchildren. Her family brought such great joy to her. The family pictures posted in this album are so heartwarming, as they show snippets from key moments in her life. I am sorry but I was unable to attend the funeral services, however I have said prayers for Elaine and your entire family. She will be deeply missed by all of us.

“ Elaine and I grew up together. I remember sitting in my living room together (in one chair) and reading the Bible on Good Friday. We had to be quiet and just read. Since we both fit in one chair I'm pretty sure we couldn't read yet, so we just looked at the pictures in my family's big bible and talked about what we saw. I will miss her!
