“ We prayed at cornerstone church yesterday for all of your family. That you will find God's peace and love through your grieving process. Your mom is joyous with her Lord!

“ Dear Larry, Sandy and Sherry,
My heart is broken. The loss of your mom is not just the loss of a cousin to but rather the loss of a best friend. Our friendship began when she and your dad came to rescue me in Mississippi. I had broken an engagement and needed to get out of town fast. My mom spoke with your mom and the next thing you know they were on a plane to New Orleans where I met them and took them to Biloxi where I lived. They helped me pack but it was Marci's Gras. I made sure we had fun. And we did ! Even all these years later we still talked about that time. Their presence kept me safe from a fiancée who didn't want to take no for an answer. That's how my bond and friendship with both your mom and dad started and it continued through the years of smiles and tears. They both forever remain in my heart. Loosing your mom for me is like loosing my on mom all over again. I send you all my love and keep you all in my heart. I will be here for even if you just want someone to cry with. With much love.

“ *Our sympathy to Elaine's family. Gene and Elaine were dear neighbors and friends, and Elaine was so active in our Riverbend Community. She was on our Board, was our newsletter editor, played in the Pinochle Club and served us in many ways. Now she is with her beloved Gene. RIP Elaine.*
