“ Dear Mom,

We dearly miss you and love you greatly mom. We wish you were still here with us. The house seems so empty and quiet without you here. Yesterday was an extremely difficult day for all of us, for me it was even harder. Today, the day of your funeral, will be the hardest ever endured. Please guide us through the day and beyond mom. Our hearts are heavy filled with tears and sadness. I want to thank for being a major part of the greatest family one can have. I want to say thanks mom for all the sacrifices you made for me during your life and all the support you generated to all of us through our childhood and adulthood. I hope and pray that you are now at peace, I know the last 4 years were extremely difficult and trying for you. Love you, Danny###imported-begin##Danny Guzdzio###imported-end##

“ Hi Mom, It's me...I know you are being well cared for now...the care we could not give you. Yesterday was a really hard day but with the love of all our family and friends we were able to get through it. I know you would be happy with the way everything turned out. Today my heart is hurting but I know you are watching over us. I want to thank you for all the wonderful memories that I will forever hold close to my heart. Also, thank you for being a great grandma to Heidi, Alyssa and Joey. I will miss you dearly. Love, Carol###imported-begin##Carol Klotz###imported-end##

“ To the entire Guzdziol family-
I want to take the time to express my sincere sympathy. I went to St. Bartholemew with Nancy and I remember your mom as a very special person. Your family was very special and very close and I hope the memories of your mom will bring you comfort. I lost my mom almost 2 years ago and I know the pain of losing someone you love. Know that you now have an angel watching over all of you. Your family will be in my prayers. God Bless!!

“ Dear Family Members -- Please allow me to offer my sincere sympathy on the passing of your wife and mom. I remember Elaine fondly from my days when stationed at St. Bart's. Always a kind word and smile for all. She was truly a Christian Mother and Wife and a friend to all she met. Please know she and you will be in my prayers during this time of transition. May songs of the angels welcome you home to be at peace. In His love...

“ Dear Mom,
We take comfort in that which we know.
That you are in heaven with the angels aglow.
You can now look down from up above.
To watch over us and send us your love.
Love, faith and family will make us strong.
And grant us peace, like the melody of a song.

I love you and will miss you more than you can know.

Your loving son...
