“ Dear family, I am remorseful about your loss and like to extend my deepest sympathy for your loved one Elden Eshelby. From personal experience I know that the death of a love one causes many different emotions which are somewhat unpredictable. The Scriptures contain some practical advice. There is a time to weep according to Ecclesiastes 3: 1, 4. So don't hold back the tears. Remember, they are a natural and necessary part of grieving and even God's Son Jesus Christ wept.

“ To the Eshelby Family,
We were so sorry to hear of Uncle Al's passing, and being we can't be with you in person, we want to send our condolences to let you know we are with you spiritually, sharing thoughts, memories and prayers. He survived all the other men and kept on going, just like the Energizer Bunny. So that's why they called him "Rabbit"!! Fond memories of a kind uncle. He is now comfortable and reunited with all the other relatives who have preceded him. God Bless, peace and rest be with you all.
